

L'ECUME DES NEIGES

CHALET DU HAMEAU

Description

Situated in the heart of the charming hamlet of Le Raffort, close to Chalets Ruisseau and Abreuvoir; Ecume des Neiges combines a modern, spacious layout (surface area of 320m² or thereabouts) with decoration in authentic materials. The chalet has 6 large bedrooms and a home cinema offering 2 further beds if required. Outside, the main terrace affords spectacular views of the Meribel Valley including La Saulire (2700m) and Mont Vallon (3000m) and, because of the great position of the chalet, you can easily walk to the ski slopes 100m away and return by skis to the back of the chalets by the Raffort piste or we are only 5 minutes by car from the centre of Meribel and all the shops and restaurants.

Decorated in a modern, mountain style, the chalet is undoubtedly luxurious including underfloor heating, an internal lift your ease and an external lift for logs! All the rooms are spacious and have their own bathroom, a separate toilet and a flat screen TV. The bed linen is luxurious, as seen in all the best hotels. The modern kitchen is well equipped to a high standard. The living area is the perfect place for relaxing with friends and family, with the cinema room just close by. The chalet has unlimited Wifi.
