**1 SAINT-MARTIN-DE-GALEJAS** : The hamlet is inseparable from its chapel dedicated to St-Etienne. At the foot flows a spring supposed to cure skin diseases. Do you fancy a drink ? Especially if the water has healing properties !

**2 VIEW OVER GILHOC/ORMEZE VALLEY** : A tiny overhanging road facing Gilhoc-sur-Ormèze..... How right he was when Jean Ferrat (French singer) sang "How beautiful the mountain is" in one of his songs, even in autumn with its beautiful firework display of colours.

**3 VIEW OVER BOUCIEU/DOUX VALLEY** : Once over the ridge, you will be amazed by the plunging view over the Doux Valley and and the village of Boucieu-le-Roi.

**PICNIC CORNER** : Saint-Martin-de-Galejas, with its springtime atmosphere, is an ideal spot for a rejuvenating snack. Even more so if you stop near the healing spring !

### A LITTLE **BONUS**

*The chestnut is the emblem of Ardèche so, when you come across the first chestnut tree fields, why not stop for a bite only a cable's length from the "breadfruit tree".*
