WE COUNT ON YOU TOO :

In order for all the sanitary measures to be respected, we ask you to follow our guideline when you will leave the apartment :

- Clean up the apartment with the disinfectant at your disposition in the apartment*
- Open the windows to ventilate the apartment before your departure – at least 15 to 30min,
- Close the windows when you leave the apartment
- Empty the fridge and dishwasher and leave them clean,
- Undo the beds,
- Throw away DISPOSABLE undersheets and pillow protections
- Leave NON-DISPOSABLE undersheets on the beds and put the covers back on the beds,
- Fold and store duvets and blankets back into the closets,
- Place all the bed linen back into the bag in which it was delivered (or any other bag) and leave it in the entrance of the apartment.
- Take your garbage to the bins or waste sorting sites.
