LA VILLA DOMERGUE

The villa is an architectural masterpiece and epitome of timeless elegance designed by the artist Jean-Gabriel Domergue in 1934.

The villa towers over Cannes, surrounded by gardens and terraces with spectacular views of the bay.

The national heritage site is the perfect place to host VIP events such as corporate functions, premium product launches and gala evenings.

The opulent reception rooms and magical grounds elevate any occasion at Villa Domergue. It blends the best of both worlds with art and history indoors and natural beauty outdoors.
