OUR OBJECTIVES

- Preserve biodiversity, minimize water and energy consumption. Put in place differential water and electricity meters.
- Favour renewable energy and thermal isolation of buildings. Move towards 100% eco responsible purchases.
- Reduce all forms of pollution, weed manually and mechanically and promote environmentally friendly transport.
- Practice selective waste sorting and composting green waste.
- Increase the quality of customer service and involve guests in our approach (listening, suggestions, and satisfaction sheets). Make our equipment accessible for the four types of disabilities.
- Promote local resources, heritage, culture, nature and gastronomy...
- Improve the quality of life for campsite staff.
- Involve the team in the process and empower each member. Regularly evaluate the implementation of these objectives and communicate our results internally and to our present and potential clients.

For all types of reservations and depending on the estimated duration of your stay, administrative costs of a fixed amount of €30 will be requested. When you come, they will be deducted from your bill. In case of postponement in the same year (2 nights minimum), with the agreement of the manager, this sum will be deducted from your invoice. These costs cannot be carried over from one year to the next.

Billing

Methods of Payment

- Tourist tax is fixed at à 0,66€ per day and per person aged 18 years and over
- For bare pitches, campers must confirm the day before, their departure at reception. The billing is based on number of nights stay.
- For mobile homes, billing is calculated according to the number of weeks, indivisible in nights. The balance of the stay is to be paid on arrival, minus the deposit. Each week not consumed or started remains due.
- Charges in respect of inventory costs or cleaning costs will be billed in an additional invoice.

Extract from the campsite's internal regulations

For security reasons, the fragile road surface, and the dimensions of the pitches, caravans that are longer than 6m and/or have double axels, as well as camping cars that are longer than 8m are not accepted.

The tent or caravan, and all ancillary equipment, must be installed on the rented pitch. The vehicle must be parked in the same location.

No bare pitch number will be assigned definitively and contractually in advance. Only wishes can be made during pre-bookings and reservations.

Car washing is prohibited.

Visitors do not enter the camp by car.

Only duly vaccinated animals are allowed to enter the site, after agreement of the manager. The manager will ensure the proper application of the rules of procedure.
