ORELLE

ALPINE CHARM MEETS NATURE, CULTURE & ADVENTURE!

AN AUTHENTIC VILLAGE – 10 HAMLETS TO EXPLORE

Looking for peace, nature, and a return to essentials?

Orelle is a hidden gem in the Maurienne Valley, nestled between legendary mountain passes and the Vanoise National Park.

Its 10 hamlets open their alleys, churches, communal ovens, and stories of yesteryear to you. Here, the stones speak, the locals share, and every corner hides a little treasure.

💬 *Take the time to stroll, to meet people, to breathe. Make yourself at home... differently.*

FRANCOZ

The heart of tourist activity! Departure point for the Orelle gondola, souvenir shop, ski lift ticket office, Bar des 4 Vallées, Tourist Office... this hamlet is full of energy and good vibes!

LE CHEF-LIEU

As the name suggests, here you'll find the town hall, school, and library. The beautiful Baroque church of Saint-Maurice stands proudly beside the Nobles of Albert d'Orelle square. Unique feature: "Chez la Tante", a small heritage museum re-creating an old-time room, opened upon request by Aimé and Victorine Traversaz.

ORELLETTE

Perched at 1,170 m altitude with year-round sun and an unbeatable view of the valley and Aiguilles d'Arves. Unique feature: from the 1960s to early 2000s, children from Haute-Marne enjoyed mountain holidays here at a summer and winter camp.

LA FUSINE

Though it may look abandoned, this hamlet between Noiray and Chef-Lieu is very much alive. Its stone houses host lucky residents and its chapel, Saint Francis of Assisi, lies along the famous pilgrimage route. Unique feature: a lovely cascading waterfall.

BONVILLARD

At 1,180 m altitude, this traditional architectural gem offers countless treasures to those who wander through its alleys. It borders a forest and is the start point of many hiking trails. Unique feature: it has its own church, Sainte-Marguerite.

LE NOIRAY

A pleasant mix of traditional and wooden architecture, with Saint-Sébastien chapel, an oratory, and a washhouse. Unique feature: its fertile soil allows for the cultivation of vines and hops. Around 150 bottles of "La Demoiselle du Noiray" wine are produced yearly, and the local Orelle-Caron Brewery makes blond and amber beers available at village restaurants and shops.

LE TEPPEY

This small hamlet, made up of only a few houses, is all about nature. Lucky visitors can enjoy a peaceful stay in the cozy Gîtes de la Biche and du Cerf. Unique feature: one of the access routes involves climbing a steep stone staircase.

LE POUCKET

A peaceful and gentle atmosphere fills this little-known hamlet. With its Saint-Joseph chapel, communal oven, and narrow alleys, it invites quiet contemplation. Unique feature: the least-known of all Orelle's hamlets!
