> Start the path above the Granges parking lot (located at the street "sous les buissons").

1/ Climb up to the edge of the forest, then turn right to go up into the forest, at the "Plan du Tronc" sign.

2/ After a few hairpin bends, the path levels out and you'll see Les Guéritolles. Remember to close the cow pens after you've gone through.

3/ Cross Les Guéritolles. After a while, we come to a path that twists and turns downhill. We don't take it, but continue straight ahead. We pass the barrier and then start our descent on the right, on a forest path. We continue downhill until we reach the hamlet of Le Pas.

4/ Follow the road downhill for a while. You'll pass through the hamlet of Le Crêt. Then take the road that rises to the right at the "Route des Granges du Bas" sign.
