

ARC 2000 « Paradiski » - Residence LA CIME DES ARCS 4*

The Residence La Cime des Arcs****, which opened in December 2008, is really appreciated for its **location on the slopes**, on the main square of the resort, **near the ESF** (French Ski School) meeting points and the ski departure point. It's a 4-star residence and it offers **56 very bright apartments**, which can accommodate from **2 to 12 people**. All the apartments are modern, fully equipped and comfortable, with a private balcony. **Ideal for families**, the access to the slopes is surprisingly easy. The people who do not ski will benefit from the services of the residence and from an unobstructed **view on the ski area or on the resort**.
