Caroline Itacqua

LA CRÉATRICE

Caroline Ilacqua

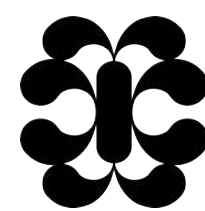

Téo Cabanel is the fruit of a love story between two families.

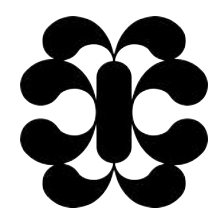

Once upon a time, around the year 1893, from an unconditional passion for exceptional perfumes, a great perfume brand was born to Théodore Cabanel. And since 1930, this passion has been shared by three women, each one passing on the reins to yet another passionate woman in the next generation.

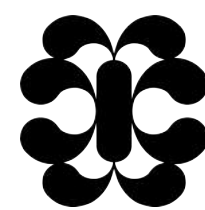

No doubt, Caroline Ilacqua, now in charge of the family brand, will hand it down to her daughter Lise, raised in the respect of Haute Parfumerie Française, who would become the 4th generation of women creators of precious fragrances.

Caroline's lifestyle is the true reflexion of her perfumes: a delicate and harmonious balance of essential ingredients: work, family, sports, travels.

Born in Fontainebleau where she grew up, Caroline has chosen her hometown to host and root the Téo Cabanel brand. Lavish forests, a world-renowned Renaissance castle, true French Art de Vivre - heritage and expectations - the perfect setting for great perfume creations.

A cool, ocean-light, refreshing breeze underlines the fresh opening tints.

The base notes reveal a real harmony of wood essences: vetiver, sandalwood and papyrus delicately rimmed with just a hint of sensuous leather.

It gradually displays spicy, yet discreet, middle notes of safran, cinnamon and nutmeg. The fragrance then grows into a very sensuous woody accord where Oud wood, patchouli, cedar and cyst, mellowed by warm musks, harmonize beautifully.

A dark arousing scent sublimed by an elegant touch of leather.
