## LA MALMAISON: A VIP VENUE FOR YOUR EVENTS

La Malmaison stands on the iconic La Croisette just 800 m from the Palais des festivals et des congrès, making it the perfect place to host unforgettable events with panoramic views of the Bay of Cannes. The legendary villa built in 1863 was once the Grand Hôtel's annex. A recent renovation has put its heritage and modern flair in the spotlight.

La Malmaison's 600 m<sup>2</sup> of exhibition space is ideal for private functions, product launches, gala events and conferences. Its prime location and artistic atmosphere give every event the wow factor.

Transform your event into an unforgettable cultural experience surrounded by acclaimed exhibitions of masters such as Picasso, Matisse and Miró.

La Malmaison spans three levels, plus a terrace and a lower ground floor.
