> Start from Seytroux mini-golf parking lot

1/ Head for the wooden bridge. Cross it and turn right onto the path alongside the torrent.

2/ Turn right, cross the stream and join the road. Turn right onto Route des Meuniers at a hairpin bend. Follow the road as it rises to the left.

3/ At Les Meuniers, stay on the right-hand road. Go straight ahead at the T-junction, cross the Ruisseau de l'Avanchéreau and continue to reach the hamlet of Seytroux.

4/ Continue straight on, passing the hamlet of Le Crêt, where you'll still find a number of houses with traditional architecture.

5/ At the end of the hamlet, take the path that crosses the meadow to the right and joins the road leading to the parking lot. Turn right, staying right at the crossroads without crossing the bridge over the Torrent de Seytroux, and follow it to the parking lot.
