With qualified guides make your way down the river in a different way! This is for Sporty types and good swimmers

With your safety in mind we start our **7** kms navigation on the Class III river

We warm up on the river in Chamonix, passing through the centre and head down river to Les Bossons After the centre the waves get bigger and you will have a fantastic experience as you 'body surf' down river !

We will teach you navigation techniques and how to swim in rapid waters. Nature at its best and an amazing experience !
