

GROUP VISITS AND TASTINGS

2024 Brochure

Welcome to Domaine Bodineau !

Located in the Coteaux du Layon valley, 20 minutes from Saumur and 30 minutes from Angers, Domaine Bodineau welcomes you to discover its terroir and wines !

A family estate since 1850, Anne-Sophie and Frédéric took over from their parents and now cultivate no fewer than 40 hectares of Appellation d'Origine Contrôlée vines, producing a wide range of Anjou and Coteaux du Layon wines.

It is through visits and tastings, accessible to all, that the estate now wishes to share its expertise with your groups in a friendly atmosphere.

The whole team is here to help make your visit unforgettable !
