

## HERITAGE ACTIVITIES PROPOSAL

For several seasons now, Les Gets Tourisme, in collaboration with Les Gets Town Hall, has been developing its heritage offer. We offer a range of activities to introduce your groups to the history of the village.

### ACTIVITIES:

#### Village discovery tour

This tour introduces you to the most important places in the village centre. History, the beginnings of the resort, current tourist development... This activity is certainly the most general and ideal for groups discovering mountain villages/resorts.

*Duration 1h to 2h – Available all year round.*

#### Old village tour

Guided tour taking the group to the heart of the old village centre. The history of Les Gets since the Middle Ages is recounted, as are the customs and traditions of the time. As well as focusing on the church and its remarkable works of art, the tour ends with a visit to the Imperial Gallery of the Mechanical Music Museum.

*Duration 1h - Available all year round.*

#### Les Gets treasures

This treasure hunt is a fun way to discover Les Gets village, past and present. There are riddles and markers to find on the resort's historic buildings.

*Duration 1h – Available all year round.*

#### Skiing in Les Gets in 1937

Dressed in period costume, the guide retraces the beginnings of winter sports holidays in Les Gets. The group goes back a few years and learns about the history of the village and the early days of skiing.

*Duration 1h – Available from December to April.*

### **Priest Delavay botanical garden guided tour**

Combining history and botany, this tour retraces the remarkable life of Jean-Marie Delavay, a priest and botanist from Les Gets who went to the ends of the earth to catalogue one of the largest botanical collections of the 19th century. Take a tour of the garden and discover the plants collected by the priest and the management of this incredible flora.

*Duration 1h – Available from May to October.*
