### The Legend of Peyra Levrousa

If you like stories and fairy tales, you'll love this alpine hike. A stone steeped in history awaits you at the turn of the road. But who are the four comrades that gave rise to the Peyra Levrousa legend?

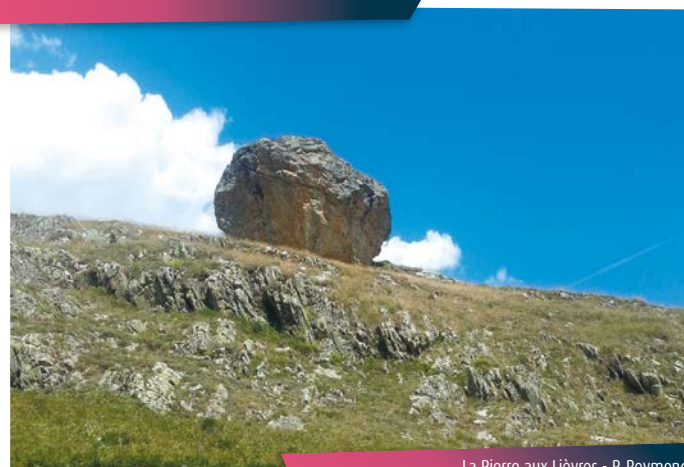

### Along the way

As wayward grasshoppers tickle your calves, you can already hear the distant whistle of the marmots, keeping a watchful eye on you. The gentle breeze sweeps through the soft grass, silky as an angel's hair.

When spring breaks into summer, you look on delightedly as the bold young lambs take their first tentative leaps. They seem to be showing you the way to a rock that looks like it fell from the sky a long, long time ago!

You're off to meet four hares who took it upon themselves to carry a rock on their backs and then throw it at the church bell tower! Frozen to the spot and crushed by their enormous burden, what could have happened to them? Can you find them by slipping under the rock?

Or, if you prefer to stay on the safe side, you can read a fascinating legend that's stood the test of time. After satisfying your curiosity, take a few deep lungfuls of fresh air as you sit down to enjoy a delicious meal.
