company "Making Science". A pink covering  
was applied on our PT Cruiser for this occasion

# Our values/our commitments

**NLS France is committed to a corporate philanthropy and social responsibility approach certified Do Good company by Gandee for the benefit of two associations:**

Pure Ocean, which supports innovative research programmes to increase knowledge about the ocean and our precious Mediterranean Sea, contributing to the fight against global warming while preserving marine biodiversity and protecting and restoring fragile marine ecosystems.

La Voix de l'enfant is a recognised federation of 80 associations working in 103 countries to provide children in serious difficulties living conditions that respect their rights.

NLS France, a cultural and heritage benefactor, is giving its support to the Louvre Museum in its project to acquire Jean-Siméon Chardin's painting "Le panier de fraises", classified as a "National Treasure".
