## **Educational projects :**

**NEW 2024-2025:**

**Mandatory half-hour familiarization with family and child  
+ half-day welcome on the first day**

The objective of the center is to ensure the well-being and development of the children welcomed while respecting the rhythm and development of each.

The multidisciplinary team implements educational and fun activities to promote the awakening, autonomy and socialization of children.

Stories, painting, water games, motor skills workshops... allow children on vacation to have a good time.

Equipment needed : ointment or other product used to change, a spare suit, cuddly toy, dummy, bottle, box of milk, and specific equipment according to the season : Winter : ski jacket and pants or ski suit, hat, gloves, sunglasses, sun cream, snow boots Summer : cap or hat, sunglasses, sun cream.
