Head towards Villapeyron and park in the sawmill car park. The trail starts at the top of the chemin de Villapeyron, 50 m from the car park.

• BALCON DE CHÂTEL

At the Super Châtel gondola, take the stairs to the left and then climb up a steep 40 m slope (the only difficult section) before turning right and following the ridge trail towards Vonnes Lake.

• BORDS DE DRANSE

The Bords de Dranse itinerary covers some 16 km from Châtel to Abondance. Here we recommend the Linga-Pré la Joux winter section that starts at Trés-les-Pierres.

• BOUCLE DES RAMINES LOOP

From the start panel in the Vonnes liaison zone car park, follow the path overlooking Chapelle Notre Dame de Vonnes to the chemin des Remines, then turn right and head downwards towards the special pedestrian loop.

• BOUCLE DES BLATTES LOOP

From the start sign, follow the path overlooking the Chapelle Notre Dame de Vonnes to join the Chemin des Ramines in the direction of the Gabelou chairlift.

• BOUCLE DU PETIT CHÂTEL LOOP

From the Tenne turning, at the end of the route du Petit Châtel, continue climbing gently up the mountain through the forest. After 2 bends, the path ends at the Petit Châtel/Barbossine chairlift link zone.

• PAS DE MORGINS

You can reach the trail by taking the shuttle from the village centre (place de l'Église) to Gabelou stop. Head towards Switzerland and Vonnes Lake; the trail starts at the Vonnes liaison zone car park.

PLAINE DRANSE CHAPEL

This chapel, which is located in the middle of the winter ski area, is built against a rock, once known as the “Pierre aux Loups” or “Pierre maudite,” on the site of an old oratory.

L'ESSERT CHAPEL

The chapel, which is dedicated to Saint-François de-Sales and Sainte-Jeanne-de-Chantal, was built in 1784 in commemoration of a terrible landslide which, fortunately, spared the life of the hamlet's residents. It abuts a vast 520 m³ rock.

VILLAPEYRON SAWMILL

This sawmill, which was built in the 1920s, initially used hydraulic power from the Dranse. In the mid 20th century, it became powered by electricity to help address seasonal variations in river flow.

VONNES CHAPEL

The chapel, which borders the route du Pas de Morgins, was founded in 1630 and was dedicated to Notre-Dame des Neiges, Saint-Bernard and Saint-Martin. It was initially very modest but was extended in 1886 and a small steeple and golden statue of the Virgin Mary added.

CHÂTEL'S ORATORIES

Châtel also has about twenty oratories (lou perdons in local dialect), both old and modern, that have been maintained over the years.

LAKE VONNES

The lake is located 1 km from the village centre; the circular walk around the lake is suitable for pedestrians, cyclists and buggies etc. You'll also find a children's playground.

RESORT TAX

In Châtel, visitor tax is levied on the number of nights booked, to reflect actual visitor numbers, as in more than 90% of winter sports and summer resorts.

Resort tax is collected directly from the holidaymaker by the accommodation provider, who repays this tax to the local council.

And don't forget: the tax revenue generated is spent on all the tourism-related initiatives.

Under 18s are exempt.

WASTE MANAGEMENT

The Châtel town hall raises awareness among its residents and visitors about waste sorting through a network of voluntary drop-off points spread across the entire resort. Household waste, mixed recycling (yellow bin), and glass are collected at least once a week.

Clothing collection bins are located at the Etringa crossroads and the waste disposal center.

Pocket ashtrays are available at Châtel Tourism.
