### ■ A natural site classed Natura 2000

You are on a site classed as Natura 2000, a fragile natural area. Please respect these simple rules for the well-being of everyone, including the incredible biodiversity that lives here.

It is a site filled with a myriad of plants, like reeds, fish, amphibians, invertebrates, birds and mammals like the beaver. Respect this biodiversity.

- Do not go into the reed beds,
- Do not hunt frogs,
- Do not pick the plants,
- Take your rubbish with you.

The 3 Lakes leisure centre is home to a series of small lakes on the banks of the wild waters of the Durance river. The perfect source of summer freshness, this secret corner is 10 minutes from the Serre-Ponçon lake dam and 20 minutes from Gap.

A natural space that is not only perfect for relaxing but is also equipped to let you experience a myriad of wonderful things. Discover wake boarding and water skiing, and try your hand at stand-up paddle boards or canoeing. There is even karting, paintball and the adventure course Fort-Gayard!

With friends or family, take the load off with a picnic or a barbecue. You can also enjoy a safe dip in the waters thanks to our lifeguards...
