Mazot Les Tines

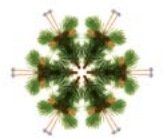

There is a dreamy little bedroom upstairs with a door leading to a small balcony and wooden stairs. Below on the ground floor you will find a shower room, a neat little kitchen (with small oven, hob, fridge and washing machine) and dining area, all in wood of course, beyond which is a living room with a large picture window (more views!). There are two mattresses on a balcony-mezzanine which are ideal for children. All in all it is the perfect getaway for a couple or small family.

Situated between Chamonix and Argentière in the village of Les Tines, Mazot Les Tines is well placed for skiing at both Les Grands Montets and Flégère – Brévent, and in the summer with the River Arve running close by, the perfect starting point for country walks, or golf at the nearby Chamonix Golf Club. It is set in a pretty garden with the Mont Blanc range as a backdrop, pretty stunning we reckon.

These mazots are set in a lovely garden in the Moussox area of Chamonix, it is an easy stroll into the centre yet you can sit peacefully on the delightful south-facing balconies and enjoy the mountains. There are some amazing hikes straight from these small chalets to the Brévent side where the 'Petit Balcon' route goes all the way to the top of the valley.
