Open the door of Châtel's Old Customs House to discover a different side to this cross-border region. Children and adults will enjoy a fascinating trip back in time, learning about the game of cat and mouse that went on between the smugglers and the customs officers (known as 'gabelous') in the mountains of the Portes du Soleil before the advent of winter sports. A new temporary exhibition: "Everything to declare!". From its construction in the 1920s to the departure of the last customs officers in 2009, followed by the very first visits to the interpretive centre, quite a lot has happened at the Châtel customs post!

VILLES & PAYS D'ART & HISTOIRE COUNTRY OF ART AND HISTORY

This is a quality label that promotes the heritage and architecture of the Abondance Valley to visitors and residents by providing a diverse tourism offering with explanatory facilities and events all year round run by qualified heritage guides.

### PLAINE DRANSE CHAPEL

This chapel, which is located in the middle of the winter ski area, is built against a rock, once known as the “Pierre aux Loups” or “Pierre maudite,” on the site of an old oratory.

### L'ESSERT CHAPEL

The chapel, which is dedicated to Saint-François de-Sales and Sainte-Jeanne-de-Chantal, was built in 1784 in commemoration of a terrible landslide which, fortunately, spared the life of the hamlet's residents. It abuts a vast 520 m<sup>3</sup> rock.

### VILLAPEYRON SAWMILL

This sawmill, which was built in the 1920s, initially used hydraulic power from the Dranse. In the mid 20<sup>th</sup> century, it became powered by electricity to help address seasonal variations in river flow.

### VONNES CHAPEL

The chapel, which borders the route du Pas de Morgins, was founded in 1630 and was dedicated to Notre-Dame des Neiges, Saint-Bernard and Saint-Martin. It was initially very modest but was extended in 1886 and a small steeple and golden statue of the Virgin Mary added.

### CHÂTEL'S ORATORIES

Châtel also has about twenty oratories (lou perdons in local dialect), both old and modern, that have been maintained over the years.

### LAKE VONNES

The lake is located 1 km from the village centre; the circular walk around the lake is suitable for pedestrians, cyclists and buggies etc. You'll also find a children's playground.

# ACCOMMODATION

## RESORT TAX

In Châtel, visitor tax is levied on the number of nights booked, to reflect actual visitor numbers, as in more than 90% of winter sports and summer resorts.

Resort tax is collected directly from the holidaymaker by the accommodation provider, who repays this tax to the local council.

And don't forget: the tax revenue generated is spent on all the tourism-related initiatives.

Under 18s are exempt.
