## CHATEL FUN BIKE AT PRÉ LA JOUX

16

**FROM 07/07 TO 03/09/2023**

*Open daily from 10:00 am to 12:30 pm and from 1:30 to 6:30 pm*

The park has been specially designed with big tyres for alpine trails, combined with laser Biathlon shooting. It offers a fun ride for all levels and an introduction to the world of enduro and downhill biking. Laser Biathlon is combined with mountain biking to bring together two disciplines that require balance, a good aim, controlled breathing and concentration to make sure you hit the target in all situations. Laser technology guarantees complete safety during your session.

## THERE ARE DIFFERENT RUNS TO RIDE

- The easy green run winds along the conveyor belt, changing in line with the gradient. The longer run goes through the trees and adds a series of whoops. These two accessible trails also feature fun installations along the way and are ideal for beginners who want to enjoy the outdoors at Châtel Fun Bike. The challenge is to build up enough momentum to free-wheel up the final climb!
- The blue run is more technical and goes through woodland, along the banks of the Dranse, between tree trunks and rocks and over wooden installations. Here, the challenge is to confront the elements and test your reflexes.

## THE DISCIPLINE HAS A VERY SIMPLE RULE

After your first run, you have to start shooting which means that you need to breathe correctly and concentrate to hit the five targets. If you hit all five, you then go down the trail of your choice until you reach the bottom of the conveyor belt. The first to arrive is the winner. If you miss one of the shots, you incur a penalty lap on the flat loop.

This new discipline is a great alternative for mountain biking beginners who are looking for thrills! It is ideal for all members of the family who can share fun-filled moments at this new Châtel attraction.

Resort tax is collected directly from the holidaymaker by the accommodation provider, who repays this tax to the local council. And don't forget: the tax revenue generated is spent on all the tourism-related initiatives. Under 18s are exempt.
