A prehistoric treasure hunt!

Fancy setting off on a treasure hunt? From Bessans or Bonneval, embark on a quest for ancient rock paintings and uncover the mysteries hidden on the Rocher du Château. A prehistoric adventure that'll take you back in time and whet your curiosity.

Along the way

Take just a few more steps along the Chemin du Petit Bonheur to embark on a journey back in time to the prehistoric era.

As you amble down by the Arc river, to the peaceful hum of the bees and the babbling of the languid stream, your thoughts start to wander.

As soon as you leave the banks of the river, the time machine starts up. It drops you in front of the Rocher du Château and its rock paintings. How many deer can you count?
