OVERVIEW CHALET DES DRUS

This chalet is the most exclusive property to be found in Chamonix and it is highly appreciated by its many returning guests.

Not only is the chalet 5-star from top to toe – our guests also receive high-class services from the chalet staff who make sure that everyone is looked after to a 100%. The executive chef will prepare breakfast and dinners – all made to your specific requirements and with fresh and local ingredients. Afternoon tea is laid out daily and our cleaners and hosts make sure that everything is running smoothly during your stay.

Private chauffeurs will have vehicles waiting on stand-by to take you to and from the slopes, in to the centre of Chamonix or even to neighbouring ski resorts such as Courmayeur and Megeve.

Le Chalet des Drus offers in-door swimming pool, steam room, a small gym, outdoor hot tub and a stunning massage room – a fabulous retreat to relax and recharge.

The chalet's façade and interiors combine burned and sand blasted rustic wood with beautiful stonework and lovely variety of colour-fabrics and textures throughout the building.

The use of these traditional materials contrasts beautifully with the modern design features such as the glass stairway and slate dining table using iron legs from the workshop of Mr Eiffel.

Le Chalet des Drus sits on 4,000m² of private-park in one of the most exclusive locations in the Chamonix Valley enjoying exceptional 360degree views of the Mont Blanc massif, Le Brevent, the Aiguille Vert and Les Drus.
